# STRENGTHS

## WITH EACH DAY COMES NEW STRENGTH AND NEW THOUGHTS.

- ELEANOR ROOSEVELT

### Legacy of Leadership

MPL has a strong focus on Research and Development since 1992. Our research backed, world class products have garnered trust of leading pharmaceutical companies in India for more than three decades.

### Legacy of Innovation

The company believes in diversity of capabilities and innovative approach. A number of novel formulations are in the pipeline and will be launched in coming years. The company can offer services for the development of NDDS & Time Release Technologies to the pharmaceuticals industry. The Formulation Development cell has capabilities to complete R&D, pivotal studies & Bio Batches and can offer ANDA filing.

### FDC single dose sachet for treatment of Tuberculosis

MPL pioneered 4 drug single dose sachet, which is an anti-TB four drug Fixed dose combination in granular form, available in a single dose sachet. This formulation is tested through multi centric Post Marketing Surveillance and has certified BABE.

This NDDS/ Novel drug formulation is designed for the fresh cases of TB, keeping in mind the noncompliance, mono-therapy, treatment non-completion to the tablet treatment and thereby resulting in the drug resistance to first line TB treatment.

4 FDC single dose sachet is patented and is available in all the dosage forms for all the weight groups recommended by latest WHO guidelines for short course chemotherapy for TB.

### The R&D and FD facility at Maneesh Pharmaceuticals has capabilities to develop

- Oral Solids (Tablets, Capsules, Dry Powder)
- Semisolids (Creams, Gels, Lotions, Ointment)
- Dry Powder Indictable, Hormonal Products (Oral Contraceptive, HRT, Indictable, Topical)

This generic development is supported by array of international consultants on various strategies like Formulation Development, Analytical Method Development, Intellectual Property protection, Regulatory Affairs and Clinical Research.

### **Svizera Health Remedies**

### **Maneesh Pharmaceuticals Ltd.'s OTC presence with 'Smyle' range of products:**

Lets spread “Smyle” everywhere has been the driving mantra for the growth and success of Smyle range of products for nearly two decade now. The crusade of spreading smiles began in 1997 with the introduction of Smyle Mouth Ulcer Gel, a novel herbal formulation to effectively cure mouth ulcers. Smyle Mouth Ulcer Gel became the most preferred natural mouth ulcer gel formulation curing and restoring millions of smiles across the country. Nearly two decades from its launch, Smyle Mouth Ulcer Gel proudly continues to be a natural, safe and time-tested brand in oral healthcare.

The success of Smyle Mouth Ulcer Gel inspired launch of a wide range of natural products in oral care, healthcare and personal care segments. These include the 100% herbal Smyle cough and sore throat reliever for productive and dry cough, Smyle throat drops and a range of herbal toothpastes. In addition to these, products like Smyle Fast Aid Wash proof, Smyle Prickly Heat Powder, Smyle Sandal Soap, SvizePor Surgical Tape and many more products are being added to further extend the legacy of Smyle and to reinforce its purpose of spreading smiles across India.
